

Our six (6) idyllic villas surrounding a beautiful olive grove are only 1 Km from the city of Zante, in the area of Acrotiri, and opposite the "Strani" hill (which has the exclusive view that inspired Dionisios Solomos to compose the Greek National Anthem).

Our 5000 s.m. secure area encompasses the villas, each of which has parking adjacent to it.

We have created separate, special areas for board games, picnics, or relaxing far away from the villas.

A stone BBQ area is available to our guests for outdoor cooking.
